Subject: EPA Follow-Up

Good morning Harold,

Thank you for taking my call this morning. The estimated time for your data to be processed is no later than Monday, August 24. Due to the volume of samples taken we needed to extend the timeframe. Sorry for the delay. For more information please visit the following online resources:

Emergency Response to August 2015 Release from Gold King Mine—

<http://www2.epa.gov/goldkingmine>

Data from Gold King Mine Response—

<http://www2.epa.gov/goldkingmine/data-gold-king-mine-response>

Give me a call if you have any questions.

Respectfully,

Joan Drammeh
